- Test equality between strings and other objects using == and equals ()

If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit [certification.oracle.com](http://certification.oracle.com) and select your certification path to ensure you are aware of all certification requirements.
  - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check [certview.oracle.com](http://certview.oracle.com) to confirm that all completed components are in your profile.
  - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
  - Contact [www.pearsonvue.com/oracle/contact](http://www.pearsonvue.com/oracle/contact) to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
- Go to [pearsonvue.com/oracle](http://pearsonvue.com/oracle), select My Account, log in, and select "Personal Info" to confirm that your address is correct.
  - The address that is on file in your Pearson VUE profile is the address to which we will mail your certificate. Please be absolutely sure that it is correct.
